REASONS FOR NOMINATION: Please use additional pages as necessary to complete the following sections:

- C. Community Service. Please explain the nominee's contributions as a community servant. This includes local, county and state-level participation. This is more than simply membership in civic, charitable, political, religious, or service organizations. Levels of service, offices held, and dates of service should be included.
- D. Personal and/or Professional Accomplishments. Please include any special recognitions or involvement in special projects with nominee's business or organization AND/OR personal accomplishments. Include business-related and/or personal affiliations, professional associations, directorships, or other designations and dates of service associated with each.
- E. Making a Difference. From Your viewpoint as the nominator, how has this person made a difference in recent years? Why is the nominee deserving of the prestigious Citizen of the Year Award?
- F. References. Additional letters of reference are advised to strengthen the nomination. Up to five letters of reference will be considered.
